

# Super S® Hi-Temp Red Grease

## STOCK UP SPECIAL

**Super S Hi-Temp Red Grease** is an extended service, premium, lithium complex, extreme pressure (EP) grease that provides superior protection to lubricate a wide variety of automotive, agricultural, trucking, mining, construction, and industrial equipment. Combines excellent multi-purpose properties with a high dropping point to offer protection across a wide temperature range. Lithium complex greases are extremely versatile performers that are highly recommended for disc brake wheel and conveyor bearings providing outstanding shock load protection.

**Super S Hi-Temp Red Grease** was designed to outperform conventional products by applying cutting edge, proprietary, lithium complex manufacturing technology. They are formulated to provide excellent high temperature performance with superb adhesion, structural stability and resistance to water contamination. These greases have a high level of chemical stability and offer excellent protection against rust and corrosion. Their performance features make them ideal choices for operating conditions including high temperature, water contamination, shock loading and extended re-lubrication operations.

### APPLICATIONS

**Super S Hi-Temp Red Grease** is recommended for

- Heavy duty fleet chassis lubrication, ball joints, and universal joints
- Boat trailers and other marine applications
- Ball and roller bearings
- Heavy service industrial lubrication
- Recommended for wheel bearings both disc and drum
- Agricultural equipment

### RECOMMENDATIONS/SPECIFICATIONS

*Meets meet the highest performance categories of ASTM D-4950 Automotive Grease Classification System, GC for wheel bearing service and LB for chassis service.*

### FEATURES/ BENEFITS

**Super S Hi-Temp Red Grease** provides

- **Excellent water resistance** - helps assure proper lubrication and protection even in the most severe water exposure conditions
- **Excellent oxidation resistance** - helps extend grease life and enhance bearing protection in high temperature applications helping to reduce maintenance and replacement costs
- **Outstanding rust and corrosion protection** - protection of lubricated parts even in hostile aqueous environments
- **Wear protection under extreme loads** - reliable protection of lubricated equipment, even under conditions of high sliding with potential for extended equipment life and reduced unanticipated downtime
- **Highly adhesive and cohesive structure** - excellent grease tenacity, helps reduce leakage and extend re-lubrication intervals for reduced maintenance requirements
- **Resists separation and pumps easily** - operation over wide temperature range allows for reduced inventory

**VAL 615 14oz 12/cs**

**STOCK UP & SAVE !  
ON SALE \$5.49 each**

**WHOLESALE  
BUY 1 case of 12 or more  
ONLY \$4.66 each**

**\*SUPER S Hi-Temp Red Grease Meets VAL 615 Specifications - SEE TECHNICAL PRODUCT INFORMATION ON BACK**

**\*WHOLESALE ORDERERS ONLY VALID ON SINGLE INVOICE SINGLE PICKUP OR DELIVERY IN CT**

**\*WHOLESALE ORDERS MUST BE CALLED IN, PRICES ONLY VALID WHILE SUPPLIES LAST**
